COMMUNITY FOUNDATION OF ST. CLAIR COUNTY
AGENCY DESIGNATED FUND AGREEMENT

“ __________(Agency) Fund”

The undersigned organization (name) wishes to create an Agency Designated Endowment Fund (“Fund”) with the Community Foundation of St. Clair County (“Foundation”) to support the programs, projects and operations of the (named agency) (“Agency”).

The Fund will be named the "__________________________" and will provide organizations, businesses and the general public an opportunity to invest in the long-term growth and success of the Agency by making gifts to the Fund.

This new fund will operate under the policies and procedures outlined below.

1. The Fund is intended to generate public support for the special programs, projects and operations of the Agency. It will be a public fund, and will be so identified by the Foundation in all relevant literature, reports, promotional materials and other public documents.

2. The Fund will include any property which hereafter may be transferred to the Foundation by any source, including donations from the general public. Unless otherwise provided in an agreement governing additional contributions to the Fund, any property added to the Fund shall be subject to all of the terms and conditions of this Fund Agreement.

3. The Foundation shall have full legal and equitable title to the property held in the Fund, subject only to the terms of this Fund Agreement, and shall control the income and net appreciation. The Fund shall not be considered to be a separate trust and the Foundation shall not be considered to hold the Fund as a trustee. No specific individual or organization other than the Foundation shall be considered to have a beneficial interest in any property in the Fund. All contributions to the Fund are considered irrevocable by the donor(s).

5. The Fund's net income, as calculated by the Foundation's Spending Policy (which may from time to time be amended) shall be made available to assist the Agency in the fulfillment of their mission. All distributions must be consistent with the exempt purposes of The Foundation as specified in its Articles of Incorporation and Bylaws, (which may from time to time be amended).

6. The Fund shall be considered a non-endowed (non-permanent) fund. If the Donor converts the Fund to a permanently endowed fund, the principal balance of the Fund shall be considered permanently restricted.

7. If the Fund becomes a permanent endowment, then the Fund shall generally be considered a permanent endowment except that as provided through FASB 116, any gifts made directly by the designated Agency shall be accounted as Funds Held as Agency Endowments and an offsetting liability on the financial records of the Foundation.

8. The Foundation may commingle the property held in the Fund with property of other component funds held by the Foundation. Provided, however, the property held in the Fund will be clearly identified in the books and records of the Foundation and distributions from the Fund will be clearly identified as such to the grantees.
9. It is agreed that all assets held in the Fund will be subject to the Articles of Incorporation and Bylaws of the Foundation, which may be amended from time to time. The Articles and Bylaws of the Foundation includes their Variance Power and the power for the governing Board to modify, without prior approval or subsequent confirmation of any court, any restrictions or conditions on the distribution of funds, including any provisions for distributions to specified organizations, if, in its sole judgment, those restrictions become, either wholly or in part, unnecessary, incapable of fulfillment or inconsistent with the charitable needs of the area served by the Foundation.

10. We understand and agree the Fund will share a fair portion of the total fund management and investment management costs of the Foundation. The fees charged against the Fund will at all times be reasonable, and will be consistent with the Foundation's then current fee schedule (which may from time to time be amended) applicable to funds of this type. These fees may be charged against income or principal of the Fund at the discretion of the Foundation.

11. As of today's date, the Fund Management Fees charged against "Agency Designated Funds" is 1.5% of fund assets annually, capped at the first $1 million in assets. Investment management fees vary based on investment strategies, and as an example only, investment management fees as of May of 2018 were approximately .72% or 72 basis points.

12. The Agency authorizes the Foundation to publish the name of the Fund and the amount held in the Fund in its annual report and in other returns, reports and publications.

13. Notwithstanding anything contained herein to the contrary, in the event of the Foundation’s dissolution, the Fund’s value at the time of the Foundation’s dissolution shall be distributed to the Agency or to its successors, or to a charitable organization directed by the Agency for one or more exempt purposes within the meaning of IRC 501(c)(3).

14. In the event that the Agency ceases to exist as a legally incorporated nonprofit, the Foundation shall maintain the endowment fund and use its grantable funds to support non-profits and programs that best meet the donor intent of this Fund, as determined by the Community Foundation of St. Clair County.

Please indicate below your acceptance of this contribution and of the terms of this fund agreement.
