

Scholarship Timeline

Application opens

January 2, 2021

Scholarship Priority Deadline

March 14, 2021

Late March - April

This is when application processing and outside selection committees convene. Applications are transferred to the selection committees, where they will each be considered carefully throughout the month.

May

Outside committee recommendations reach the main selection committee where county-wide scholarships are also reviewed. Notification emails are sent to students after this meeting.

June 15

Scholarship acceptance paperwork is due.

Early July

Scholarship checks are mailed to the college, university or trade school listed on the students' acceptance paperwork.

July - October

Scholarship funds that had no applicants or were forfeited are reopened for applications, and awards are made during selection meetings in the summer and fall.
